Summer 2019

### **Welcome from the iSchool Parents Association**

We hope that you and your children are enjoying this summer break. In planning for the school's twelfth year we want to share some thoughts about supporting our **inspiring** school.

The iSchool runs on the hard work, **innovation** and creative energy of its teachers, staff and **impressive** students. Our goal as parents and guardians is to provide support to continue iSchool's successes, and your role in this is **invaluable!** This is an opportunity to be **involved** in your child's life at a time when they are growing and separating. Whether it be contributing financially or by giving your time and creativity, YOU can make **a difference**.

We hope that you'll consider becoming an "**iVolunteer**" and working alongside other parents and guardians to make a positive contribution to iSchool – whether it's running for the Executive Board, soliciting items for our fund-raising auction, selling iSchool Spirit wear, hosting one of our popular house parties, or donating to our annual appeal –we have lots of ways for you to get **involved** this coming school year.

A reminder that each of you—as parents or guardians of an iSchool student-- is a voting member of our Parents Association. Everyone has a voice. All voting takes place in person during Parents Association meetings.

**Incoming 9<sup>th</sup> grade parents & guardians: We Need You!** Every year we reserve two positions on the PA Executive Board for the Freshman Class. Tech Savvy? Great organizer? Writer? Accountant? Or just really enthusiastic? **We have a role for you.** Elections will be held at our first PA **Meeting on Monday, September 16<sup>th</sup>**, following Curriculum Night. You can Email the PA if you would like to run or nominate yourself that night. This is a time of change and the PA is here to help with the transition.

You can reach the Parents Association by email at [pa@mail.nycischool.org](mailto:pa@mail.nycischool.org) and our website **nycischool-pa.org** also lists helpful information like PA meeting dates and the iSchool calendar.

We look forward to seeing many of you following Curriculum Night, on **Monday September 16<sup>h</sup>**.

All the best,

Angela Willey and Alfred Lynch  
Co-Presidents, 2019-2020 PA Executive Board
